

# Latch & Hinge 门锁铰链

Model	Description
W38	Cam-lift safety latch High pressure die-cast zinc Lock is optional

Model	Description
LH-1061	Surface-mount latch High pressure die-cast zinc Installation height: 26-36mm

Model	Description
LH-1200	Edge-mount Magnetic latch High pressure die-cast zinc Lock is optional

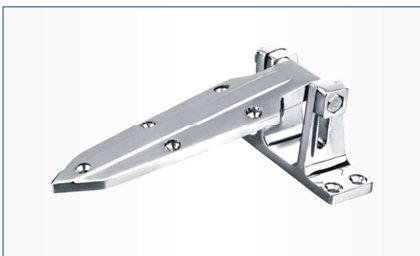

Model	Description
LH-1178	Cam-lift safety latch High pressure die-cast zinc Installation height: 40-70mm

Model	Description
LH-1050S	Surface-mount latch High pressure die-cast zinc

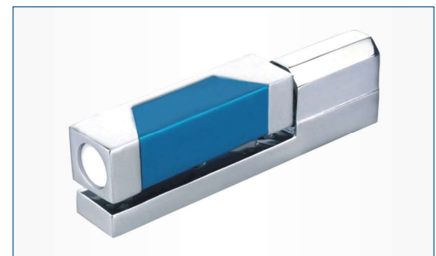

Model	Description
LH-1230-3	Reversible reach-in hinge High pressure die-cast zinc 3 holes in bracket without spring

Model	Description
LH-1450	Adjustable door hinge High pressure die-cast zinc Installation height: 32-50mm
LH-1460	Installation height: 32-60mm
LH-1470B	Installation height: 35-70mm

Model	Description
LH-1132	Reversible reach-in edge-mount cam-lift hinge High pressure die-cast zinc

Model	Description
LH-1332	Edge-mount hinge High pressure die-cast zinc Installation height: 32mm
LH-1336	Installation height: 36mm
